

The image shows a dark green fabric banner with yellow and red sections. The text is embroidered in yellow and green. At the top, the word 'TCHIVA' is written in large, yellow, block letters with a pinkish-red outline. Below it, 'CONTE & MUSIQUE' is written in yellow, block letters, following the curve of the banner. Underneath that, 'EN ITINERANCE' is written in green, block letters, also following the curve. At the bottom, 'AVEC LES CHEVAUX' is written in green, block letters. There are decorative elements: two yellow circles above the 'TCHIVA' text, a red and white striped ribbon with purple floral embroidery on the right, and a red fabric shape on the right side. The banner has a decorative border at the top and right edges, featuring a repeating pattern of yellow, purple, and green geometric shapes.
